

## REPLICATION INSTRUCTIONS

### Parental responses to children's early health disadvantages: evidence from a British twin study

Alicia García-Sierra

García-Sierra, A. (2024) Parental responses to children's early health disadvantages: evidence from a British twin study, *European Sociological Review*. <https://doi.org/10.1093/esr/jcae016>

**Dataset:** TEDS data. TEDS data is available upon request and approval from the pertinent organism. The TEDS data access policy can be found here: <https://www.teds.ac.uk/researchers/teds-data-access-policy>.

#### Replication files:

00\_MASTER\_PARENTAL\_RESPONSES: sets the environment and loads the data

01\_CLEANING\_VARIABLES: prepares the variables for the analysis

02\_DESCRIPTIVES: produces Figure 1

03\_ANALYSES: main results in Tables 1, 2, and A1

04\_ROBUSTNESS: produces tables in the Supplementary Materials from Table A3 to A13
